PROFESSIONAL SUMMARY

AI-Powered Full Stack Developer proficient in designing and deploying full-lifecycle web applications. Expertise spans React.js, Node.js, Express, MongoDB, alongside system optimization techniques including Redis memory caching and Docker multi-stage builds. Experienced in integrating Generative AI workflows, prompt engineering, and automated API-driven agents to deliver fast, scalable, and production-ready digital solutions.

SKILLS

HTML/CSS, MySQL, Docker, Redis, Postman, JavaScript, Node.js, MongoDB, Express.js, Gen AI, AI Tools & LLM APIs, GitHub, React.js

EXPERIENCE

Full stack developer June 2026 - Present
GUVI Geek Networks Remote
Full Stack Developer Trainee
GUVI Geek Networks (An HCL Group Initiative) | Remote
(1 Year Duration)
Mastered full-stack MERN web development (MongoDB, Express.js, React.js, Node.js), JavaScript (ES6+), and RESTful API architecture through intensive hands-on modules.
Solved 250+ data structures and algorithmic challenges on Codekata platform, improving code efficiency and logical problem-solving.

PROJECTS

virtual-AI assistant 2026-06-12 - 2026-06-23
Developed a voice-enabled AI Virtual Assistant using MERN stack, Groq (Llama 3.3), and Tavily Real-Time Web Search. Integrated multi-lingual speech processing and dynamic API orchestration, achieving sub-second response times for real-time web querying.

personal finance manager 2026-06-05 - 2026-06-10
Built a full-stack financial tracking application using MERN stack to manage personal income, expenses, and budget goals in real-time. Integrated dynamic data visualization libraries (Chart.js) to provide interactive graphs, visual expense breakdowns, and monthly financial insights.

personal portfolio website 2026-05-18 - 2026-05-20
Engineered a modern, high-performance Personal Portfolio using React.js and Tailwind CSS. Features dynamic project showcases, smooth animations, fully responsive UI architecture, and seamless cross-browser compatibility.

EDUCATION

Bachelor of Science (B.Sc.) 2025
Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur Kanpur
Science
